

Job Title: Oilfield Journeyman Electrician – Kenedy TX

Location: Kenedy TX | EagleFord

Schedule: 5/2 (M-F and weekends as needed)

Employment Type: Full-Time

Job Summary

We are seeking an experienced **Journeyman Electrician** with oilfield experience to install, maintain, and troubleshoot electrical systems on oil and gas production sites. This role requires a strong understanding of industrial electrical systems, NEC, safety compliance, and the ability to work in demanding field conditions including long hours and possible holidays.

Key Responsibilities

- Install, maintain, and repair electrical systems on oilfield equipment and facilities
- Troubleshoot and diagnose electrical issues on motors, control panels, and instrumentation
- Work with:
 - 24V–480V systems
 - 12V DC – 24V DC systems
 - VFDs, PLCs, RTUs, and motor controls
- Read and interpret electrical drawings, schematics, and P&IDs
- Perform preventative maintenance and inspections
- Ensure all work complies with **NEC**, company standards, and oilfield safety regulations
- Work outdoors in varying weather and remote locations
- Coordinate with operations (customers) and other field personnel
- Responsible and show up to work on time

Preferred Qualifications

- Valid **Journeyman Electrician License** - TX
- 3+ years of oilfield or industrial electrical experience preferred
- Strong troubleshooting skills in industrial environments
- Experience with automation/controls is a plus
- Ability to work independently with minimal supervision
- Valid driver's license with clean driving record

Preferred Experience

- Oil & gas production facilities (tank batteries, SWDs, compressor stations, production equipment)
- Basic Instrumentation knowledge a plus
- Hazardous location classifications (Class I Div I/II)

Requirements

- Lift up to 50 lbs
- Climb ladders, work at heights, and in confined spaces
- Stand, walk, and work long hours in outdoor conditions
- Ability to be on call out rotation
- Live within 45 minutes to Kenedy TX (Preferred)
- Use of proper PPE (FR Clothing CAT 2)

Compensation & Benefits

- Competitive hourly pay (based on experience)
- Overtime opportunities
- Health, dental, vision insurance

- 401(k) with company match
- Paid time off
- Bonus based on Company Performance and Employee Evaluation

Why Join Us

- Steady work in a growing oilfield operation
- Strong safety culture
- Opportunities for advancement
- Company has been in business since 1999
